IN RE: DEVELOPMENT OF ELECTRIC VEHICLE (EV) MASTER PLAN FOR EV
CHARGING STATION INFRASTRUCTURE FOR STATE HIGHWAY SYSTEM,
PURSUANT TO CHAPTER 2020-21, LAWS OF FLORIDA

ISSUED: October 14, 2020

NOTICE is hereby given that the staff of the Florida Public Service Commission will conduct a workshop on the above-referenced matter at the following time and place:

October 21, 2020, at 10:00 am.

As the Governor of the State of Florida has declared a state of emergency due to the COVID-19 Pandemic, all presentations to the Commission by participating entities will be made remotely. Additionally, the Commission must limit the manner in which the public may participate or view the workshop. As always, the public may view a live stream of the workshop online using the link available at <http://www.floridapsc.com/Conferences/AudioVideoEventCoverage>. Due to these extraordinary circumstances, however, no member of the public may attend in person.

The agenda for the workshop is attached. The Commission has been tasked, along with the Department of Transportation and the Office of Energy within the Department of Agriculture and Consumer Service, with the development of an electric vehicle (EV) master plan for the EV charging station infrastructure pursuant to Chapter 2020-21, Laws of Florida. The purpose of this workshop is to provide a forum for Commission staff to discuss with stakeholders their comments submitted to the Commission in response to Commission staff's September 2, 2020, request for information. For questions, contact Ben Crawford at bcrawfor@psc.state.fl.us or Adria Harper at aharper@psc.state.fl.us. One or more Commissioners may be in attendance and participate in the workshop.
