**SECTION 2.0 RULES AND REGULATIONS****2.1 Undertaking of the Company**

This tariff sets forth the service offering, rates, terms and conditions applicable to the furnishing of intrastate Advanced Communication Services by TCG South Florida to customers within the State of Florida.

TCG South Florida Service consists of any of the services offered pursuant to this tariff, either individually or in combination. Each service is offered independent of the others, unless otherwise noted. Service is offered via the Company's facilities in combination with resold services, intraLATA services, or transmission facilities provided by other certificated carriers.

Services, features and functions will be provided where facilities, including but not limited to, billing capability, technical capability and the ability of the Company to purchase underlying services, features and functions and/or unbundled network elements ("UNEs") (as that term is defined by applicable law), either alone or in combination (including a combination of unbundled switching with other UNEs), are available. The Company reserves the right to withdraw any service provided pursuant to this tariff or to modify its terms and conditions, upon 30 days notice, in the event that changes occur (including regulatory changes) which affect either the availability of facilities to the Company or the terms and conditions upon which they are obtained. The foregoing is in addition to all other existing rights retained by the Company to modify or withdraw its services at any time.
