## 2. GENERAL REGULATIONS

### 2.1 Undertaking of the Company

#### 2.1.1 General

The Company undertakes to provide the services offered in this price list on the terms and conditions and at the rates and charges specified. Certain restrictions may apply concerning the use of the services offered.

The Company's obligation to furnish service features and/or facilities is also dependent upon its ability to provide, secure and retain, without unreasonable expense to the Company (a) suitable facilities and rights for the construction and maintenance of the necessary circuits and equipment, (b) suitable space for its plant and facilities in the building where service is or is to be provided, (c) facilities for interconnection from alternate suppliers.

Service is provided on the basis of a minimum period of at least one month, 24-hours per day. For the purpose of computing charges in this price list, a month is considered to have 30 days.

Service will be provided subject to the availability of equipment or facilities, the ability of the company to purchase underlying services, features and functions and/or unbundled network elements ("UNEs") (as that term is defined by applicable law), either alone or in combination (including a combination of unbundled switching with other UNEs), as well as operational and systems constraints as determined by the Company. AT&T reserves the right to withdraw any service provided pursuant to this price list or to modify its terms and conditions, upon 30 days notice, in the event that changes occur (including regulatory changes) which affect either the availability of facilities to AT&T, or the terms and conditions upon which they are obtained. The foregoing is in addition to all other existing rights retained by AT&T to modify or withdraw its services at any time. C

#### 2.1.2 Terms and Conditions

Customers may be required to enter into written service orders which shall contain or reference a specific description of the service ordered, the rates to be charged, the duration of the services, and the terms and conditions in this price list. The Customer will also be required to execute any other documents as may be reasonably requested by the Company.
