INTERCITY TELECOMMUNICATIONS SERVICES

.5 SERVICE AND RATE DESCRIPTION (Continued)

.6 Miscellaneous Services (Continued)

.18 Residential Toll Free (RTF) #

Residential Toll Free is an inward calling service for residential customers. Calls terminate over the subscriber's residential phone line. RTF is available to all Sprint residential customers. Customers subscribing to RTF may not need to change phone numbers or add additional lines in order to obtain the service. No installation charge is required.

Customers can obtain RTF as either: 1) a component of a customer's underlying service with service-specific rates or 2) as an add-on miscellaneous service. Unless otherwise noted herein, Sprint's Residential Toll Free Services are available as well on a standalone basis.

Unless otherwise specified in this tariff, RTF rates are composed of usage charges and a monthly recurring charge.

@New customers subscribing to RTF will be given a four digit personal identification number (PIN) to be used in conjunction with their toll free number. After dialing the customer's toll free a caller will be prompted to dial the PIN before the call can be completed. (C)

@The PIN functionality will apply unless: 1) a customer orders RTF in an area which presently does not have toll free plus PIN billing or 2) RTF plus PIN functionality is not available with the RTF service the customer is ordering. An additional monthly recurring charge is not applicable. (C)

Customers are able to subscribe to RTF without the PIN dialing requirement if: 1) the customer requests their own personal number and Sprint can provide the number or 2) the customer does not want users of their toll free number to be required to dial a PIN. An additional monthly recurring charge is applicable.

@The PIN monthly recurring charge applies in addition to the monthly recurring charge associated with the customer's underlying residential toll free service. (C)

Customers who cancel their presubscription to Sprint but who retain Sprint toll free service that was provided with Sprint 1000 or Sprint Sense AnyTime's Optional FÖNCARD Rate and Toll Free Rate with SCW Calling Plan Option will receive the rates under Pricing Option C. *

@ Effective August 15, 2008, Personal Identification Numbers (PINs) will be discontinued for standalone RTF service and RTF service combined with or added-on to a customer's residential service. Customers subscribing to such services will be given the option of subscribing to RTF service Option B, which otherwise is not available to new customers. (N)
