SECTION 2 - RULES AND REGULATIONS

2.16 SPECIAL CUSTOMER ARRANGEMENTS

2.16.1 In cases where a customer requests special arrangements which may include engineering, installation, construction, facilities, assembly, purchase or lease of facilities, and/or other special services not offered under this tariff, MCI, at its option, will provide the requested services. Appropriate recurring and/or non-recurring charges will be developed accordingly.

2.17 Effective February 23, 2006, Residential and Small Business services offered under this tariff that require concurrent enrollment in local exchange service provided under MCImetro Access Transmissions Services, LLC d/b/a Verizon Access Transmission Services, F.P.S.C. Price List No. 2 will no longer be available to new customers residing in areas in which local exchange service is provided by any affiliate or subsidiary of Verizon not subject to MCImetro Access Transmissions Services, LLC d/b/a Verizon Access Transmission Services, F.P.S.C. Price List No. 2. This does not apply to customers of this service who are eligible to subscribe to the Residential Affinity Savings Plan I or the Small Business Affinity Savings Plan I. Additionally, Company services, to the extent they have been made unavailable to new and/or existing customers of those services as of that date, may continue to be offered and provided without revision to customers subscribing to those services via an agreement with an agent or other affinity of the Company (including, but not limited to, Quixtar, Inc.; and excluding Fionda, LLC, and Espirit de Corpe, Inc.), who has contracted with the Company to sell Company services to its members.

2.18 Individual Case Basis (ICB) Arrangements

Rates, terms or conditions for ICB arrangements will be developed on a case-by-case basis in response to a bona fide request from a Customer or prospective Customer to develop a competitive bid for a service offered under this tariff. Rates, terms or conditions quoted in response to such competitive requests may be different than those specified for such services in this tariff. ICB rates will be offered to the Customer in writing and on a non-discriminatory basis. The Company may also enter into ICB arrangements in response to a Customer request for special arrangements which may include engineering, installation, construction, facilities, assembly, purchase or lease of facilities, and/or other special services not otherwise offered under this tariff. Company, at its option, may provide the requested services. Appropriate recurring and/or non-recurring charges will be developed accordingly.
