SECTION 2 – RULES AND REGULATIONS

2.14 Individual Case Basis (ICB) Arrangements

Rates, terms or conditions for ICB arrangements will be developed on a case-by-case basis in response to a bona fide request from a Customer or prospective Customer to develop a competitive bid for a service offered under this tariff. Rates, terms or conditions quoted in response to such competitive requests may be different than those specified for such services in this tariff. ICB rates will be offered to the Customer in writing and on a non-discriminatory basis. The Company may also enter into ICB arrangements in response to a Customer request for special arrangements which may include engineering, installation, construction, facilities, assembly, purchase or lease of facilities, and/or other special services not otherwise offered under this tariff. Company, at its option, may provide the requested services. Appropriate recurring and/or non-recurring charges will be developed accordingly.

SECTION 6 – OBSOLETE SERVICES

6.6 Special Services

6.6.1 Special Service Regulations

Special Service charges will be based on the estimated cost of furnishing such services including the cost of operating and maintaining such a service, the cost of equipment and materials used in providing such a service, the cost of installation including engineering, labor supervision, transportation, and the cost of any other specific item associated with the particular Special Service request.

- A. If at the request of the customer, the Company obtains facilities not normally used to provide service to its customers, the cost incurred will be billed as a Special Service.
- B. If at the request of the customer, the Company provides technical assistance not normally required to provide service, the costs involved will be billed as a Special Service.
- C. When special signaling, conditioning, equipment or other features are required to make customer-provided equipment compatible with the Company's service, the cost of providing these features will be billed as a Special Service.
- D. When additional testing is requested in excess of the normal testing required to provide service.

ALL MATERIAL LOCATED ON THIS SHEET WAS PREVIOUSLY LOCATED ON SHEET NO. 72.

SECTION 6 – OBSOLETE SERVICES

6.6 Special Services (Cont.)

6.6.2 Type 1 Service

A. Usage Charges

Usage charges are billed in 6 second increments and are subject to a minimum average time requirement, (MATR) of one (1) minute per completed call. This is not on each call but is applied to all messages in the service group. If the average per call usage is less than one minute, then one minute per message will be applied to the service group.

1. Rate Schedule

	<u>Per Minute of Use</u>
All Florida Exchanges	\$.0599

2. Rules and Requirements

The General Rates, Conditions, Specifications and Special Requirements of ITB No. DGS 90/91-047 shall be considered as part of this Type 1 Service and only for the State of Florida. The Company shall not change the rates in 4.25.1.A.1 unless ordered to do so by the FPSC or to the extent that intrastate terminating access charges are increased by local exchange carriers, If intrastate terminating access charges are increased, the Company will pass through such cost increases directly by revising the minute of use charges listed in 4.25.1.A.1 (above).

3. Call Detail

Call Detail shall be provided only via magnetic tape.

(a)	Monthly Charge (per tape)	\$75.00
(b)	Non-recurring charge	\$200.00
