8. Promotional Offerings (Continued)8.6 5,000 Minutes Block of Time for PRI Promotion

Effective February 24, 2006, business customers may be eligible to receive a discounted rate for Sprint Block of Time for Small Business. To be eligible, customers must 1) subscribe to the Sprint LTD PRI Bundle or any Sprint LTD ISDN-PRI service that is not currently grandfathered; 2) subscribe to the Company's Sprint Block of Time for Small Business 5,000 Minutes option through Sprint LTD, and 3) accept billing for Sprint Block of Time for Small Business on their Sprint LTD invoice. Eligible customers will pay a flat monthly rate of \$100.00 for 5,000 domestic Dial-1 outbound interstate and intrastate minutes. This rate applies on a per bundle basis for PRI Bundle and on a per 24-channel (Primate Rate Channel) basis for ISDN-PRI. This monthly rate, which affords customers the opportunity to place interstate and intrastate calls, is identical to, and not in addition to, the monthly rate applicable for companion interstate service.

Unused block of time minutes at the end of the Customer's monthly billing cycle will not carry over to the next month. A per minute rate of \$0.04 will apply for all minutes of use beyond the 5,000 Minutes block of time. Fractional minutes for Dial-1 calls will be rounded up to the next minute.

Block of time minutes cannot be applied to FÖNCARD Service, Operator Service or international usage.

FÖNCARD Service is available but will not contribute to the 5,000 Minutes block of time. The FÖNCARD Service per minute rate is \$0.10, with a per-call Connection Fee of \$0.55. FÖNCARD per minute rates are billed in 6-second increments with a per call minimum of 18 seconds.

If a customer discontinues the service(s) that are required to receive these rates, the customer's rates will revert to the tariffed rates applicable for the Sprint Block of Time for Small Business 5,000 Minutes option.

Subscription to this promotion is available through **July 31, 2006**, unless it is changed or cancelled by the Company. (C)
