6. BUSINESS SERVICES (Continued)6.1 Message Telecommunications Services (MTS) (Continued)6.1.5 Unlimited Regional SolutionsA. Service Description

Unlimited Regional Solutions plan offers business Customers unlimited Dial-1 calling within their LATA with either a flat per minute rate or a Block of Time rate applicable for all Dial-1 InterLATA calls. Customers must subscribe to companion intrastate service for the option selected, and must select the Company as their interLATA and intraLATA toll provider.

To be eligible for Unlimited Regional Solutions, the customer must meet eligibility requirements specified for the service option selected.

The monthly recurring charges for this service will be billed in advance. The Customer's first invoice will contain a pro-rated monthly charge for the first month (based on the number of Customer in-service days in the initial billing cycle) and a full monthly recurring charge for the second month.

A Customer may not use this service for connection to the internet or other data service (including a significant amount of facsimile transmissions or data usage per month) or for any other use that does not involve a person-to-person conversation or voice message, e.g. auto dialer lines and call center line.

If the Company determines the Customer has violated the terms and conditions of the service, the Customer will be assessed a \$500.00 charge per line. In addition, the Customer's long distance service will be suspended.

Only Dial-1 calls are eligible for the unlimited and block minutes and for the per minute rates specified herein. The term "Dial-1" does not include: 1) calls which are pay-for-use, including but not limited to calls to 900, 976, 555 and 700 numbers, 2) calls to Directory Assistance, 3) operator service calls, including emergency interrupt and intercept call completion, 4) EMBARQ Calling Card calls, 5) usage from multi-party conference calls, 6) inbound toll free service calls, 7) Switched Data Service ("SDS") calls, and 8) international calls.

Calls placed using Operator Services and Directory Assistance are subject to the rates and regulations specified in Section 7 of this Tariff for those services.
