RE: **TK001**

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Florida Tariff P.S.C. No. 2. This filing is submitted with a proposed effective date of June 1, 2008. The Company's tariffs are available on its website at www2.embarq.com/tariffs.

42nd Revised Page 2	2nd Revised Page 9.2	4th Revised Page 42	3rd Revised Page 60
7th Revised Page 3	4th Revised Page 10	1st Revised Page 55	3rd Revised Page 66
4th Revised Page 6	1st Revised Page 14	1st Revised Page 59	3rd Revised Page 67

This filing changes rates for Non-Transient, InterLATA Person to Person Operator Services. Also, various text changes were made to delete obsolete language, including the removal of the Casual Caller service option. Casual Caller has not been technically feasible since the Company, as a reseller, did not have its own network over which casually dialed calls could be made. Therefore, the deletion of that service option does not impact customers. In addition, this filing expands the Small Business Unlimited Solutions II eligibility to include MultiLine Bundle and Centrex Service II. Also the number of eligible lines has expanded from three to nine.

Commission consideration and timely approval of these pages are respectfully requested. If you have any questions or need additional information regarding this filing, please call me.

Sincerely,

Mary L. Matthews

4. TERMS AND CONDITIONS (Continued)

4.3 Use of Service

Neither Subscribers nor their authorized users may use the services furnished by the Company for fraudulent or destructive purposes, including, but not limited to, unauthorized or attempted access, alteration, abuse or destruction of information; or use services furnished by the Company in such a manner that causes interference with another's use of the Company's network.

Neither Subscribers nor their authorized users may use the services furnished by the Company for any unlawful purpose, including service configurations of switched services which, as a result of sharing thereof, are the equivalent of a service configuration which exceeds the scope of the Company's applicable authorization.

Subscribers will promptly cooperate with the Company to prevent unauthorized access by third parties of the services furnished by the Company.

Use and restoration of the service furnished by the Company will be in accordance with Part 64, Subpart D of the Federal Communications Commission Rules.

Customers are responsible for notifying the Company when new lines are added to their account. New lines will not receive the rates associated with the Customer's account until the Company has been notified to add those lines to the Customer's **account**.

(D)

(D)

The use of any feature including, but not limited to, call forwarding, on a planned and continuing basis to allow an originating caller to avoid long distance charges is prohibited.

4.3.1 Limitations of Service

The Company may deny, for any lawful reason, the Customer's request for service, or limit or allocate the facilities available to or utilized by any service, if necessary, to manage its network in an efficient manner; meet reasonable service expectations; furnish service to existing and future Customers based on forecasted Customer requirements; or for any other lawful reason.

The Company may, without notice, (consistent with governing laws or regulations) block traffic to local telephone exchanges ("NXX exchanges"), individual telephone stations, groups or ranges of individual telephone stations, or calls using certain Customer authorized codes, whenever the Company deems it necessary to take such action to prevent (1) the unlawful use of service; (2) nonpayment for service; (3) the use of service in violation of this Tariff; or (4) network blockage or the degradation of service furnished to the Customer or other Customers.

7.4 Operator Service

7.4.1. General

Operator Service is available to business and residential Customers for operator-assisted calls. Access to the Company's Operator can be from either tone-generating and/or rotary-dial telephone instruments and is obtained by dialing one or more of the following dialing methods, depending upon the LEC access arrangements and/or area of origination. When calling from a payphone, hotel, motel, or other transient location, refer to the telephone instrument for dialing instructions.

Customers who are presubscribed to the Company as their Primary Interexchange Carrier may dial "00" to reach a Company operator; or dial "0+ the called telephone number (NPA+ NXX-XXXX)" for long distance calling assistance from equal access (FGD) areas.
