Business Unlimited Multiline Customers will receive unlimited interstate and intrastate Dial-1 usage for a monthly recurring charge. The monthly recurring charge for this service will be billed in advance.

The Customer's first invoice will contain a monthly recurring charge for the first full or partial month of service and for the second full month of service. The monthly recurring charge is not prorated for the initial partial month of service or any final partial month upon termination of service.

To be eligible for this service, the Customer must subscribe to one of the following Embarq LOC or Company competitive local exchange services at each location at which Business Unlimited Multiline service is provided: 1) Solutions-Business Package MultiLine Bundle; or 2) Solutions-Business Package Rotary Classic Solution. The qualifying service must be subscribed to any Company long distance plan.

Business Unlimited Multiline service is available under two and three year term commitments. A minimum of two lines per location, up to a maximum of nine lines per location, must be subscribed to this service, with all lines billing under the same account. If the qualifying service is subscribed to this long distance plan, at least one additional single business line or key trunk must be subscribed to this service at each location.

The term "Dial-1" does not include the following types of calls:

- calls to Internet service providers or other data service providers
- multi-party conference calls (except when dialed using a toll free number)

INTEREXCHANGE TELECOMMUNICATIONS SERVICES TARIFF

6. BUSINESS SERVICES (Continued)**6.1 Message Telecommunications Services (MTS) (Continued)****6.1.1 Solutions Service (Continued)****H. Business Unlimited Multiline (Continued)**

The Customer may not use this service to complete multiple simultaneous outgoing calls through use of a LEC-provided feature that provide multiple paths over a single line. A line is defined as an Embarq LOC single line business line or key trunk.

Business Unlimited Multiline customers who discontinue their service prior to fulfilling their term commitment will be assessed a termination liability charge. The termination liability charge will be the difference between the monthly recurring charges applied during the in-service period and the non-term Small Business Unlimited Solutions II monthly recurring charges for that same period, or \$50.00, whichever is less. If a customer prematurely discontinues this service for only a portion of the lines under a term commitment, the termination liability charge will not apply as long as the customer retains a qualifying service at each location and the minimum number of lines remains subscribed to this service.

If the Company determines the Customer has violated any of the terms and conditions of this service, the Customer's plan will be switched, upon notice, to Business Sense as set forth in Section 6.1.2 of this Tariff and the termination liability charge as defined in the preceding paragraph will be assessed.

Upon expiration of the term commitment, the term commitment will automatically renew for an additional twelve months unless either the Company or the Customer provides written notification to cancel the existing term prior to the expiration of the term plan.

If a customer desires to commit to a new term period prior to fulfilling the current commitment period, no termination liability charges will apply. However, the number of months accrued under the current term commitment will not apply towards the new term commitment.
