Executive Summary

Introduction

BellSouth is transferring a portion of the Flagler Beach Exchange into the Palm Coast Exchange to align BellSouth's provision of service to its customers in this area. The developer of Grand Haven subdivision continued the development of this subdivision further south into the Flagler Beach Exchange. BellSouth extended its facilities from the nearest point to provide service to these customers from the Palm Coast exchange instead of the Flagler Beach Exchange. This tariff corrects the exchanges to match how BellSouth is providing service in these exchanges.
