Program.

- Participation in the Program begins on the date the Subscriber commits to the Agreement and AT&T accepts by completing Subscriber's service order (unless voided by AT&T). Depending upon the Subscriber's billing cycle, the term may begin in the current month or the month following, or the billing cycle that AT&T completes the Subscriber's service order.

- In the event that a Subscriber terminates the Program or any one component service (the Complete Choice® for Business or one of the eligible long distance calling plans) prior to the expiration date of the Agreement, then the Agreement will cancel, and the Subscriber agrees to pay the respective termination charges associated with the service to AT&T as provided below based upon the number of months remaining on the term for the particular component.

Termination charges will appear on the Subscriber's final bill or a subsequent bill as a charge in the OC&C section(s). Payment of this charge does not release the Subscriber from other previous amounts owed to AT&T.

-Set charge to be multiplied by number of months remaining on term:	\$24
-Complete Choice® for Business Package	\$20
-Business Unlimited Plan, Flex Unlimited Plan, or	
-Preferred Rate Plan/Preferred Rate Plus Plan	\$4

- Unless the Subscriber notifies AT&T in writing of its intent not to renew for another like term under the Program at least 60 days prior to expiration, then upon expiration of the initial term, the Subscriber Agreement shall automatically renew for another term for two consecutive, separate terms. AT&T will provide written and/or verbal reminders to the Subscriber of the Subscriber Agreement expiration date and the automatic renewal provision beginning approximately 180 days prior to its expiration depending upon the Subscriber's billing cycle. If the Subscriber does not renew the Subscriber Agreement for another term or at the expiration of the renewed term, the Subscriber agrees to pay full month to month charges under the then effective BellSouth "Service Descriptions & Price Lists" or BellSouth applicable tariffs, as the case may be, for services.

- Applicable taxes and fees will be based on the full published price of all products and services, and no taxes or fees will be added to the amount of any reward under this program.

- Except as provided below, Subscribers participating in a Product Level or Volume and Term CSA are NOT eligible to participate in this program, unless otherwise stated.

- Subscribers currently participating under an existing Small Business Promotion local exchange term agreement may migrate to this promotion without incurring any termination liability from the existing program if the Subscriber agrees to the AT&T Complete Choice® for Business Preferred 12-month term agreement. The new local exchange service term agreement will be based upon monthly business access line rates in effect at the time the new local exchange service term agreement is effective.

- Rewards apply only to the Complete Choice® for Business package total billed monthly charges and the Business Unlimited plan monthly recurring charges within a state, not across states, as provided under the Program.

- No spending with respect to any one component service shall be eligible for the benefits associated with any other component service.

- AT&T reserves the right to terminate this Program at any time; provided, however, that Subscribers participating in the Program will continue to receive this promotion for the remaining term of their CCB Preferred Multi-Service Term Agreement.
