RE: **TL727**

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Sprint-Florida, Incorporated General Exchange Tariff. This filing is submitted with a proposed effective date of September 1, 2004. Sprint's tariffs are available on its website at [www.sprint.com/tariffs](http://www.sprint.com/tariffs).

General Exchange Tariff

Supplement Section A3      Fourth Revised Sheet 45  
Sixth Revised Sheet 100  
Seventh Revised Sheet 101

This filing is being submitted to request an exchange boundary correction in the Kissimmee exchange. The current map represents an incorrect boundary line. No customers are impacted by this correction.

In addition, this filing is being submitted to request an exchange boundary transfer between the Winter Garden and Windermere exchanges involving 390 acres of vacant land being developed as the Lake Burden community. This transfer would allow future development of this property to be served from one exchange. There are currently no customers in the area that would be affected by this change.

Enclosed are legislative and new revised copies of the maps. Commission consideration and timely approval of these pages are respectfully requested.

If you have questions or need additional information regarding this filing, please call Nancy Schnitzer at 850 599-1276.

Sincerely,

Margaret R. (Peg) Prendergast
