DIRECTORY LISTINGS

A. GENERAL REGULATIONS (Cont'd)

13. The Company reserves the right to reject additional listings when, in its judgment, such listings would tend to delay or impede the use of the service.

B. RESIDENCE LISTINGS

1. Residence listings normally consist of a name, the address of the premises at which service is rendered and the telephone number. The address of the premises at which service is rendered may be omitted at the request of the subscriber. At no charge and upon the request of any residential subscriber, the Company shall list an additional first name or initial under the same address, telephone number and surnames of the subscriber. The Company shall place the first names or initials in the order requested by the subscriber.
2. The primary listing is ordinarily the name of the individual who contracts for the service. Where the service is contracted for by one party for the use of a second party, the primary listing may be the name of the second party. Additional listings may be furnished in the names of relative, including those by marriage, domestic employees of the subscriber, or other persons residing in the subscriber's house who are recognized as a part of the subscriber's domestic establishment.
3. **Listings of residence telephones of clergymen, physicians, surgeons, dentists, veterinary surgeons, professors, government officials, etc., may, for the purpose of identification, include abbreviated designations of titles. Also, the title of "Mrs.," "Miss" or "Ms." is permitted. Degrees are permitted when they serve as a means of better identification; however, titles and designations will be omitted when a degree is used which conveys adequate information.**
4. **All listings in connection with residence service at concession rates are furnished subject to the regulations specified in this section, except that in connection with residence service for employees of the Company, where two or more employees reside at the same address and use the same telephone, the name of each additional employee may be listed, regardless of whether or not such employees are members of the subscriber's immediate family. The charge, therefore, will be the regular rate for an additional listing.**
