RE: **TL727**

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Sprint-Florida, Incorporated General Exchange Tariff. This filing is submitted with a proposed effective date of March 25, 2005. Sprint's tariffs are available on its website at [www.sprint.com/tariffs](http://www.sprint.com/tariffs).

Supplement Section A3      Fourth Revised Sheet 41  
Seventh Revised Sheet 61

This filing is being submitted to transfer a portion of the Immokalee exchange to the Naples exchange.

This transfer involves the Town of Ave Maria planned community and would allow the entire development to be served from the Naples exchange. Effective January 2, 2004, Sprint filed a tariff to transfer the entire development into the Naples exchange. Since that time, the developer has acquired additional land and an adjustment to the original boundary request will allow the entire development to be served from the Naples exchange. There are no customers impacted by this change and this filing will cause no change in customers' rates or services.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call Nancy Schnitzer at 850-599-1276.

Sincerely,

Mary L. Matthews
