RE: **TL727**

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Sprint-Florida, Incorporated General Exchange Tariff. This filing is submitted with a proposed effective date of July 12, 2005. Sprint's tariffs are available on its website at [www.sprint.com/tariffs](http://www.sprint.com/tariffs).

Section A10    Second Revised Sheet 87  
                  First Revised Sheet 95  
Section A29    Third Revised Sheet 24.13

The purpose of this filing is to revise the Term Discount Plan (TDP) language for ISDN-PRI Service. At the end of the TDP service commitment period, the customer may subscribe to a new TDP at the prevailing rates. If the customer does not select a new TDP, the prevailing rates applicable for the expired TDP will continue in effect for as long as the customer chooses to continue subscribing to the ISDN-PRI services installed under the expired TDP. Prior to this proposed change, the customer would have been converted to the prevailing month to month rates at the end of the TDP service commitment period. In addition, this filing corrects how the Exclusion Charge for 311 and 511 Service is applied.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call Nancy Schnitzer at 850-599-1276.

Sincerely,

Mary L. Matthews
