RE: **TL727**

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Sprint-Florida, Incorporated General Exchange Tariff. This filing is submitted with a proposed effective date of September 14, 2005. The Company's tariffs are available on its website at www.sprint.com/tariffs.

Section A2

First Revised Sheet 85

The purpose of this filing is to offer a promotion to business customers. During the promotional period September 14, 2005 through December 14, 2005, the Company will waive all nonrecurring installation and/or service charges that are otherwise applicable when a business customer establishes a new account and subscribes to Business Local Service (B1), Key Trunk, ISDN-BRI, ISDN-PRI II, Centrex, Enhanced Frame Relay, PBX Trunk or Translink under the same order. The customer's initial monthly charges must be at least \$100.00 to qualify for participation in this promotion.

Customers subscribing to services under this promotion who discontinue service within one year of installation will be assessed all charges originally waived under the promotion.

This promotion will be advertised through direct mail and the Company's internet site. Customers who are not contacted by Sprint and who qualify are eligible to enroll in the promotion upon request.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call Nancy Schnitzer at 850-599-1276.

Sincerely,

Mary L. Matthews
