1) General

- a) A Term Discount Plan (TDP) provides customers, who have five (5) or more lines/trunks at the same location and billed under a single bill or who have five (5) or more lines/trunks at different locations and billed under a single bill, with discounted rates for Business Flat Rate, Business Rotary Flat Rate, Business Key Lines, Business Rotary Key Lines, and Trunks Flat Rate. Fewer than five (5) lines/trunks billing under a single bill are not eligible for TDP rates, regardless of whether the customer subscribes to five (5) or more lines/trunks.

- d) At the end of the TDP commitment period the customer may subscribe to a new TDP at discounts on the prevailing rates as set forth in A3.p.3) following. If the customer does not contact the Company 90 days prior to the expiration of the TDP, the commitment period and the discount in effect at the time of expiration will automatically be extended for 12 months. The customer can terminate service at the end of the minimum commitment period with no penalty or obligation to continue the service.
- e) Rate increases or decreases will automatically be applied to the monthly term plan rates for the remaining term of the TDP. If a Company initiated rate increase causes the services under the TDP to increase by 10% or more annually, then the customer may cancel the TDP without incurring termination liability charges provided the customer notifies the Company within 30 days after the effective date of the rate increase.
- f) The customer can extend TDP commitment periods at any time during the term of the plan, up to a maximum of three years. The number of remaining months in the original term plan will apply toward the new term plan selected.
