RE: **TL727**

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Sprint-Florida, Incorporated General Exchange Tariff. This filing is submitted with a proposed effective date of November 24, 2005. Sprint's tariffs are available on its website at www.sprint.com/tariffs.

Section A128 Fourth Revised Sheet 5

This filing corrects the per line monthly recurring rate for Switch Link Plus Basic Service. The rate should have been changed with the Annual Non-Basic Services - Transport filing effective May 5, 2005. This change is a tariff correction and does not affect customer services or rates. Customers have been billed the correct rate since May 5, 2005.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call Nancy Schnitzer at 850-599-1276.

Sincerely,

Mary L. Matthews

Director

Cancelling Third Revised Sheet 5
Effective:

OBSOLETE SERVICE OFFERING

DATA TRANSPORT SERVICE

B. SWITCHLINK PLUS (Cont'd) (T)

1. General (Cont'd)

d. The Remote Access Line feature of the SwitchLink Service is available to subscribers of SwitchLink Plus at the rates specified in Section A29 of this tariff. (T)

e. SwitchLink Plus access lines are not voice functional. (T)

2. Regulations

a. SwitchLink Plus requires a data-conditioned local loop from the serving central office to the subscriber's premises. The local loop is limited to the transport of digital information only. The service may not be used for analog transmissions. (T)

b. Compatible data units must be utilized at the originating and terminating ends of the transmission to transmit and receive the data at the 56 Kbps speed. The same data unit may be used for either SwitchLink or SwitchLink Plus. The subscriber is responsible for obtaining and maintaining the data unit. (T)

c. If the data is to be transmitted over interexchange facilities, the carrier chosen by the subscriber must be capable of passing high speed data end-to-end over a digital network. If the requirements in b. and c. are not met, the information will not be transmitted correctly.

3. Rates and Charges

a. Local usage rates are billed for outward local and EAS calling only. Long distance rates will apply to calls beyond the local calling area.

b. SwitchLink Plus Rates (T)

	<u>Nonrecurring Charges</u>	<u>Monthly Rates</u>	
1) Basic service, per line	\$150.00	\$50.00	(Z)
2) Local Usage			
First minute, or fraction thereof, per call	.06		
Each additional minute, or fraction thereof	.02
