RE: **TL727**

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Embarq Florida, Inc. General Exchange Tariff. This filing is submitted with a proposed effective date of August 31, 2006. The Company's tariffs are available on its website at www.embarq.com/tariffs.

Supplement Section 3	Second Revised Sheet 1
	Second Revised Sheet 56

This filing is being submitted to request a boundary transfer from the Marianna exchange to the Alford exchange. This transfer involves a residential development known as Mill Pond Estates, a new development under construction. The present boundary bisects the planned development, rendering provision of service difficult. This request is sought to permit revisions to exchange boundaries so that they will not divide the development, thereby rendering the boundaries more usable in the provision and administration of service. Existing telephone service, local service rates and calling plans will not be affected by the proposed change since there are no existing customers in the area to be transferred.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call Nancy Schnitzer at 850-599-1276.

Sincerely,

Mary L. Matthews
