RE: **TL727**

Dear Ms. Salak:

Attached for filing, please find the following revised pages for the Embarq Florida, Inc. General Exchange Tariff. This filing is submitted with a proposed effective date of November 1, 2008. The Company's tariffs are available on its website at [www2.embarq.com/tariffs](http://www2.embarq.com/tariffs).

Index	Eleventh Revised Sheet 7	Section A9 Cont'd	Eighth Revised Sheet 4
	Fifteenth Revised Sheet 9		Tenth Revised Sheet 5
Section A9	Second Revised Contents Sheet 1		Second Revised Sheet
	Third Revised Sheet 1		Fourth Revised Sheet 7
	Third Revised Sheet 2		Third Revised Sheet 8
	Third Revised Sheet 3	Section A109	Original Sheet 1

This filing grandfathers Foreign Exchange Service for residential customers. Based on long-standing negligible demand for this service, there is no anticipated future demand. Therefore, grandfathering of Foreign Exchange Service as a residential offering will not impact customers. In addition, we are eliminating the United Telephone Exchanges only designation for Foreign Exchange Service (Business Service). This service is available in all Embarq Florida, Inc. Exchanges where technically feasible. The type of Foreign Exchange Service (Business Only) that is designated Central Exchanges Only will remain tariffed as such.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please call me at the number below or Tamela Kelly at 850-599-1029.

Sincerely,

Mary L. Matthews

FOREIGN EXCHANGE SERVICE AND FOREIGN CENTRAL OFFICE SERVICE

A. FOREIGN EXCHANGE (FX) SERVICE (**Business Only**) <sup>(1)</sup> (C)

1. General

- a. Foreign Exchange Service is exchange service furnished to a subscriber from an exchange other than the one from which he would normally be served. This tariff applies for foreign exchange service where all facilities and serving points are located in the same LATA.
- b. Foreign Exchange Service is not in accord with the general plan of furnishing telephone service and such service is furnished only under special conditions, where warranted, by the circumstances involved, and provided facilities are available.
- c. Foreign Exchange Service is furnished subject to the same restrictions as to the use of the service by other than the subscriber and his/her representatives, as apply in connection with other classes of service.
- d. Foreign Exchange Service is offered in connection with flat-rate individual access line service, PBX trunk service and rotary line service, Centrex or Enhanced Centrex service, and ISDN.
- e. Other services or facilities used in connection with Foreign Exchange Service (except as otherwise indicated in this tariff) are furnished subject to the rates and regulations applying in the exchange from which the subscriber would normally be served.

<sup>(1)</sup> **Effective 11/01/08 Foreign Exchange Service is grandfathered for residential subscribers. See Section A109.**

FOREIGN EXCHANGE SERVICE AND FOREIGN CENTRAL OFFICE SERVICE

- A. FOREIGN EXCHANGE (FX) SERVICE **(Business Only)** <sup>(1)</sup> (Cont'd) (C)
1. General (Cont'd)
- f. Subscribers to Foreign Exchange Service are not required to contract for service in the exchange from which they would normally be served except as specified in paragraph A.1.i. following or where the Foreign Exchange Service is furnished from another company's exchange territory.
  - g. Where the serving Foreign Exchange is a multi-office exchange, Foreign Exchange service will be provided from whichever central office would be the most economical to the Company. If a subscriber desires operation from a different central office and facilities are available, Foreign Exchange service will be provided from the desired central office and charges specified in 3.a. following will apply.
  - h. Foreign Exchange service is provided as a voice grade service and is not represented as suitable for satisfactory transmission of data. The Company does not assure standard quality of transmission levels for FX extension line service when more than one station is in use simultaneously.
  - i. Where non-optional extended scope service is in effect between two exchanges, Foreign Exchange Service will not be furnished between such exchanges, unless the customer also maintains local service from the exchange from which he/she would normally be served.

<sup>(1)</sup> **Effective 11/01/08 Foreign Exchange Service is grandfathered for residential subscribers. See Section A109.**

A. FOREIGN EXCHANGE (FX) SERVICE (**Business Only**) <sup>(1)</sup> (Cont'd) (C)

1. General (Cont'd)

- j. Custom Calling Features and ExpressTouch Service may be provided in conjunction with Foreign Exchange Service only in central offices equipped to accommodate such combinations.
- k. High capacity digital private line service rate elements may be substituted for the closed end FX rate elements specified in paragraph A.2.f. following if the customer requests termination of the FX service over high capacity facilities. Open end FX usage charges as set forth in paragraph A.2. following will apply regardless of any substitutions with respect to the closed end FX rate elements.
- l. This service is not offered in conjunction with extended area local calling plans.
- m. Resale of this service is not permitted.

2. Rates and **Charges** (C)

- a. For the open end, or dial tone end, which is located in the foreign exchange where network switching of calls occurs, the rates for Foreign Exchange Service are the usage charges below and the Service Connection charges for flat-rate individual access line service, rotary line service, flat-rate PBX trunk service, or ISDN service applicable within the serving Foreign Exchange.

2. Rates and **Charges** (Cont'd) (C)
- g. Where the applicant for Foreign Exchange Service is so located that it would be more economical for the Company to provide the Foreign Exchange Service direct from the Foreign Exchange to the applicant's location by the extension or utilization of existing plant, and where such facilities do not cross LATA boundaries, an Interoffice Channel charge will not apply.
- h. The rates and charges quoted for Foreign Exchange service provide for the furnishing of the service where suitable facilities are available and where the construction of the necessary facilities does not involve excessive costs. When the revenue to be derived from the service is not sufficient to warrant the Company assuming the unusual cost of providing the necessary construction, or if the service life of the constructed facilities will be unusually short or unknown, the customer and/or customers will be required to pay such cost in accordance with the regulations in Section A5 of this tariff.

FOREIGN EXCHANGE SERVICE AND FOREIGN CENTRAL OFFICE SERVICE

A. FOREIGN EXCHANGE (FX) SERVICE (Business Only) <sup>(1)</sup>

1. General

- a. Foreign Exchange Service is exchange service furnished to a subscriber from an exchange other than the one from which he would normally be served. This tariff applies for foreign exchange service where all facilities and serving points are located in the same LATA.
- b. Foreign Exchange Service is not in accord with the general plan of furnishing telephone service and such service is furnished only under special conditions, where warranted, by the circumstances involved, and provided facilities are available.
- c. Foreign Exchange Service is furnished subject to the same restrictions as to the use of the service by other than the subscriber and his/her representatives, as apply in connection with other classes of service.
- d. Foreign Exchange Service is offered in connection with flat-rate individual access line service, PBX trunk service and rotary line service, Centrex or Enhanced Centrex service, and ISDN.
- e. Other services or facilities used in connection with Foreign Exchange Service (except as otherwise indicated in this tariff) are furnished subject to the rates and regulations applying in the exchange from which the subscriber would normally be served.

2. Rates and Charges ~~(United Telephone exchanges only)~~ (Cont'd)

- g. Where the applicant for Foreign Exchange Service is so located that it would be more economical for the Company to provide the Foreign Exchange Service direct from the Foreign Exchange to the applicant's location by the extension or utilization of existing plant, and where such facilities do not cross LATA boundaries, an Interoffice Channel charge will not apply.
- h. The rates and charges quoted for Foreign Exchange service provide for the furnishing of the service where suitable facilities are available and where the construction of the necessary facilities does not involve excessive costs. When the revenue to be derived from the service is not sufficient to warrant the Company assuming the unusual cost of providing the necessary construction, or if the service life of the constructed facilities will be unusually short or unknown, the customer and/or customers will be required to pay such cost in accordance with the regulations in Section A5 of this tariff.
