RE: **TL727**

Dear Ms. Salak:

Attached for filing, please find the following revised page for the Embarq Florida, Inc. d/b/a CenturyLink Access Service Tariff. This filing is submitted with a proposed effective date of November 13, 2009. The Telephone Company's tariffs are available on its website at [www.centurylink.com/tariffs](http://www.centurylink.com/tariffs).

Section E2                      3rd Revised Page 16.1

On October 6, 2009, CenturyLink filed revisions to the jurisdictional report requirements to establish a 5% floor for Feature Group D terminating access minutes when they lack originating number information needed to determine the jurisdiction. After discussions with its customers, CenturyLink is proposing to revise the floor to 7% with a 2% grace threshold or a total of 9%.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, please contact Sandy Khazraee at 850-847-0173 or me at 913-345-7717.

Sincerely,

A handwritten signature in cursive script that reads "Kristal E. Myers".

E2. GENERAL REGULATIONS

E2.3 Obligations of the IC (Cont'd)

E2.3.11 Jurisdictional Report Requirements (Cont'd)

B. Jurisdictional Reports (Cont'd)

A floor of 7% will be set for a customer's switched access Feature Group D terminating access minutes when they are lacking originating number information needed to determine the jurisdiction. The 7% floor will be applied as follows: (C)

- When the percentage of terminating traffic without sufficient call detail to determine the jurisdiction does not exceed the sum of the floor plus a 2% grace threshold or 9%, the Telephone Company will apply the PIU factor as set forth in E2.3.11B.4.c. following; or (C)

- When the percentage of terminating traffic without sufficient call detail to determine the jurisdiction is greater than 9%, the Telephone Company will assess rates from the state jurisdiction on all minutes exceeding the floor. (C)

The Telephone Company may recalculate the overall customer average "floor" quarterly. In addition, subsequent reviews or audits of specific customer usage may result in a new "floor" for that customer. (N)

In the event that the Telephone Company applies rates to terminating calls without originating number information as provided in this tariff, customers will have the opportunity to request backup documentation of the Telephone Company's basis for such application, and further request that the Telephone Company change the application of the intrastate access rate upon a showing of why the intrastate rate should not be applied.
