A3.21.1 General

AT&T will offer the AT&T Expanded Local Service Overlay Plan to residential customers who are enrolled in one of the AT&T Residential Local Service Offers as provided in the AT&T Local Exchange Services Tariff.

Customers who subscribe to this service must obtain their local, intrastate intraLATA, and interLATA service from AT&T and continuously maintain their wireline Main Billed Account with AT&T.

A3.21.2 Rates and Charges

Customers will receive the benefit of unlimited direct dialed service within the Expanded Local Service Area as defined below, and will be billed a Monthly Recurring Charge of \$12.95 per line. Billing call detail will not be provided under this plan.

In addition to the customer's local calling area as defined in the AT&T Local Exchange Services Tariff, Section 3, the Expanded Local Service Area consists of the customer's home LATA as well.

Upon appropriate customer notification regarding customer's usage, AT&T reserves the right to adjust a customer's service.

A3.21.3 Limitations

If at any time the customer selects a carrier other than AT&T as their Local Exchange Carrier, intrastate intraLATA Carrier, or interLATA carrier, the customer's participation in this plan will be terminated. This offer is only available to customers residing in the local exchange service areas served by AT&T and is provided where facilities and billing capabilities exist.

<sup>1</sup> Effective August 20, 2007, AT&T Residential Local Service will no longer be available to new subscribers. Existing residential customers may continue their current AT&T local service plan without interruption; provided however, existing residential customers may not add new lines, change local calling plans, and/or move their existing local service if a new phone number is required.
