Such prehearing statements shall set forth the following information in the sequence listed below.

- (a) the name and address of all known witnesses that may be called by the party, and the subject matter of their testimony;
- (b) a description of all known exhibits that may be sponsored by the party, their contents, whether they may be identified on a composite basis, and the witness sponsoring each;
- (c) a statement of basic position in the proceeding;
- (d) a statement of each question of fact the party considers at issue, the party's position on each such issue, and which of the party's witnesses will address the issue;
- (e) a statement of each question of law the party considers at issue and the party's position on each such issue;

Reporting on or before the close of business on Monday, February 12, 1989. A copy of the prehearing statement shall also be mailed to all other parties no later than its filing with the Commission.

#### Prefiled Testimony and Exhibits

In accordance with Rule 25-22.048, Florida Administrative Code, each party shall be required to prefile all written testimony that it intends to sponsor. Commission Staff may file prefiled testimony in this case. Written testimony shall be typed on standard 8 1/2 x 11 inch transcript quality paper, double-spaced, with 25 numbered lines, on consecutively numbered pages, each with a sufficient left margin to allow for binding.

A copy of any prefiled exhibit sponsored by a witness shall be attached to his or her testimony and marked for identification. All other known exhibits shall be marked for identification at the prehearing conference. After an opportunity for opposing parties to object to introduction of the exhibits and to cross-examine the witness sponsoring them, exhibits may be offered into evidence at the hearing. Exhibits accepted into evidence at the hearing will be numbered sequentially.

The parties shall file the original and twelve copies of their prefiled written testimony and exhibits with the Division of Records and Reporting on or before the close of business on Wednesday, December 20, 1989.

The original and twelve copies of all prefiled rebuttal testimony and associated exhibits shall be filed with the Division of Records and Reporting on or before the close of business on Wednesday, February 14, 1989.

A copy of all prefiled testimony and exhibits shall also be mailed to all other parties no later than their filing with the Commission.

#### Prehearing Conference

prehearing officer, will have waived all issues and positions raised in that party's prehearing statement.

Prehearing Procedure: Waiver of Issues

Any issue not raised by a party prior to the issuance of the prehearing order shall be waived by that party, except for good cause shown. A party seeking to raise a new issue after the issuance of the prehearing order shall demonstrate that: it was unable to identify the issue because of the complexity of the matter; discovery or other prehearing procedures were not adequate to fully develop the issue; due diligence was exercised to obtain facts touching on the issue; information obtained subsequent to the issuance of the prehearing order was not previously available to enable the party to identify the issue; and introduction of the issue could not be to the prejudice or surprise of any party. Specific reference shall be made to the information received, and how it enabled the party to identify the issue.

Unless a matter is not at issue for that party, each party shall diligently endeavor in good faith to take a position on each issue prior to issuance of the prehearing order. When a party is unable to take a position on an issue, it shall bring that fact to the attention of the prehearing officer. If the prehearing officer finds that, in fact, the party has acted diligently and in good faith to take a position, and further finds that the party's failure to succeed in taking a position will not prejudice other parties or confuse the proceeding, the party may maintain "no position at this time" prior to hearing and thereafter identify its position in a post-hearing statement of issues. In the absence of such a finding by the prehearing officer, the party shall have waived the entire issue. When an issue and position have been properly identified, any party may adopt that issue and position in its post-hearing statement.
