ORDER APPROVING TARIFF

BY THE COMMISSION:

On December 18, 1990, United Telephone Company of Florida (United or the Company) proposed revisions to its General Services Subscribers Tariff adding Call Forward Remote Activation to its Custom Calling features. Call Forward Remote Activation (CFRA) is a calling feature which allows customers who subscribe to Call Forward to access, activate, or deactivate the Call Forward Feature from a remote location. CFRA enables customers to change the destination of a telephone call by dialing an access code and a personal identification number assigned by United.

United proposes banded rates for CFRA, which will enable the Company to generate the maximum contribution from discretionary services. The proposed rates are as follows:

	Banded Rates		Monthly Rate
	<u>Minimum</u>	<u>Maximum</u>	<u>Current</u>
Residential	\$1.25	\$2.75	\$1.75
Business	\$1.25	\$3.00	\$2.35

United used a long run incremental cost methodology to develop the costs for CFRA, and has priced this service above the long run incremental costs with reasonable contribution. The Company projects the annual net revenue for the CFRA service to be \$46,527.

CFRA is priced and tarified as a custom calling feature enhancement. The service is not intended to replace United's Call Forward service, but instead offers an enhanced version. The

Company will continue to offer regular Call Forward along with CFRA.

We believe that United's proposed banded rate structure is consistent with past Commission policy approving banded rates for Custom Calling Features. In addition, even rates at the minimum band adequately cover costs plus contribution. We, therefore, approve this tariff filing.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that United Telephone Company of Florida's proposed tariff filing to add Call Forward Remote Activation to custom calling features is hereby approved, effective January 30, 1991. It is further

ORDERED that this docket be closed if no protest is filed in accordance with the requirement set forth below.

By ORDER of the Florida Public Service Commission, this 18th day of FEBRUARY, 1991.
