BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Joint Petition of Tampa) Electric Company and Peace River) Electric Cooperative, Inc. for Approval) of a Territorial Agreement.)

)

DOCKET NO. 8.70303 - E.L. Submitted for Filing 3/24/87

JOINT PETITION

Tampa Electric Company (Tampa Electric or the company) and Peace River Electric Cooperative, Inc. (PRECO) files this their Joint Petition for the Approval of Territorial Agreement attached as Exhibit 1 hereto and says:

1. The name of the company and the address of its principal business office are as follows:

Tampa Electric Company 702 North Franklin Street Post Office Box 111 Tampa, Florida 33601

2. The name and address of the persons authorized to receive notices and communications for Tampa Electric in respect to this petition are:

Mr. Russell D. ChapmanMr. Lee L. WillisTampa Electric CompanyAusley, McMullen, McGehee,Post Office Box 111Carothers & ProctorTampa, Florida 33601Post Office Box 391Tallahassee, Florida 33602Tallahassee, Florida 33602

3. The name of PRECO and the address of its principal business office are as follows:

> Peace River Electric Cooperative, Inc. Highway 17 North Post Office Box 1310 Wauchula, Florida 33873

4. The name and address of the persons authorized to receive notices and communications for PRECO in respect to this petition are:

Mr. Richard Maenpaa Peace River Electric Cooperative, Inc. Post Office Box 1310 Wauchula, Florida 33873

5. A map and a description of the facilities to be transferred together with the selling price is attached as Exhibit 2.

6. A map delineating the service area involved in the Agreement is marked Exhibit "A" attached to Exhibit 1.

7. There are 32 customer accounts to be transferred in this transaction as described in Exhibit 3. Tampa Electric and PRECO hereby assure the Commission that the 32 affected customers have been contacted and the difference in rates explained. All 32 customers have agreed in writing to the transfer. A sample of the letter explaining the Agreement and containing the customers' agreement to the transfer is shown in Exhibit 3.

8. Exhibit 4 is a comparison of the rates of Tampa Electric and PRECO at representative consumptions.

WHEREFORE, Tampa Electric Company and Peace River Electric Cooperative, Inc. request that this Commission under its powers under Section 366.04(2)(d) approve the Territorial Agreement attached as Exhibit 1 to this Petition.

EXHIBIT I

•

AGREEMENT

AGREEMEN

THIS AGREEMENT, made and entered into this <u>9</u>*zh* day of *JANUAR V*, 1987, by and between PEACE RIVER ELECTRIC COOPERATIVE, INC., an electric cooperative organized and existing-under the laws of the State of. Florida (herein called "PRECO"), party of the first part, and TAMPA ELECTRIC COMPANY, a corporation organized and existing under the laws of the State of Florida (herein called "TECO"), party of the second part:

WITNESSETH:

WHEREAS, PRECO, by virtue of Florida Statutes, Chapter 425, and the charter issued to it thereunder, is authorized and empowered to furnish electricity and power to its members, private individuals, corporations and others, as defined by the laws of Florida, and pursuant to such authority, presently furnishes electricity and power to members and customers in areas of Hillsborough and Polk County, Florida, and elsewhere; and

WHEREAS, TECO, a corporation organized and existing under the laws of the State of Florida, is authorized and empowered to furnish electricity and power to persons, firms and corporations in areas of Hillsborough and Polk County, Florida; and

WHEREAS, the respective areas of retail service of the parties hereto are contiguous in many places, with the result that in the future substantial duplication of service facilities will occur unless such duplication is precluded; and

WHEREAS, the Florida Public Service Commission has previously recognized that any such duplication of said service facilities by the parties results in needless and wasteful expenditures and creates hazardous situations; both being detrimental to the public interest; and

WHEREAS, the parties hereto desire to avoid and eliminate the circumstances giving rise to the aforesaid duplications and possible hazards and to that end desire to operate within delineated retail service areas for the period hereinafter fixed and set forth; and

WHEREAS, in order to accomplish said area allocation, the parties have established boundary lines which delineate the contiguous retail service areas of the parties in portions of Hillsborough and Polk County; and

WHEREAS, the Florida Public Service Commission has recognized on several occasions the wisdom of retail territorial agreements between competing utilities and has adhered to the general opinion that retail territorial agreements, in the proper circumstances, are advisable and indeed in the public interest.

) NOW, THEREFORE, in fulfillment of the poses and desires aforesaid, and in consideration of the mutual covenants and agreements herein contained, which shall be construed as being interdependent, the parties hereby agree as follows:

ARTICLE I DEFINITIONS

1. <u>TERRITORIAL BOUNDARY LINES</u> - As used herein, the term "Territorial Boundary Lines" shall mean the boundary line depicted on Exhibit "A" which differentiate and divide the PRECO Territorial Area from the TECO Territorial area.

2. <u>PRECO TERRITORIAL AREA</u> - As used herein, the term, "PRECO Territorial Area" shall mean the geographic areas which are not within the TECO Territorial Area, as shown on Exhibit "A."

3. <u>TECO TERRITORIAL AREA</u> - As used herein, the term "TECO Territorial Area" shall mean the geographic areas designated as such on Exhibit "A."

 <u>TRANSMISSION LINES</u> - As used herein, the term "Transmission Lines" shall mean all transmission lines of either party having a rating of 69 KV or over.

 <u>DISTRIBUTION LINES</u> - As used herein, the term "Distribution Lines" shall mean all distribution lines of either party having a rating up to but not including 69 KV.

6. <u>NEW CUSTOMERS</u> - As used herein, term "New Customers" shall mean all retail electric consumers applying for service to either TECO or PRECO after the effective date of this Agreement in accordance with Article IV hereof.

7. <u>EXTRA-TERRITORIAL CUSTOMERS</u> - As used herein, the term "Extra-Territorial Customers" shall mean those existing customers (on the effective date of this agreement) of either party located within the territorial area of the other.

ARTICLE II

AREA ALLOCATIONS AND NEW CUSTOMERS

1. <u>ALLOCATIONS</u> - The PRECO Territorial Area, as herein defined, is hereby allocated to PRECO as its distribution retail service area for the term hereof; and the TECO Territorial Area, as herein defined, is hereby allocated to TECO as its distribution retail service area for the term hereof, and, except as otherwise specifically provided herein, neither party shall cross any Territorial Boundary Line to serve any New Customer in the territorial area of the other.

2. <u>NEW DISTRIBUTION CUSTOMERS</u> - The parties shall each have the right to provide distribution retail electric service to all New Customers within their respective territorial areas. Neither party shall after the effective date hereof serve or offer to

serve a New Customer located in the territorial area of the other party unless such other party shall request it to do so, in writing, on an interim basis. Upon receipt of such written request the other party will within 15 days of receipt of said request respond to the requesting party whether or not they are willing to serve the New Customer. If such request for service is completed by the other party, the party providing interim service shall be deemed to do so only on behalf of the requesting party, who shall retain all rights to serve the New Customer to the same extent as if it had provided service in the first instance. When the other party makes its reply to the requesting party accepting responsibility to provide the New Customer interim service, they will include in such reply the estimated cost for improvements to their system needed to provide service to the New Customer. Said estimated cost is to be paid to the party prior to the other party extending interim service to the New Customer. It is understood that no additional regulatory approval will be required for such interim service agreement (s). 11/24

Upon written request by the requesting party that it now elects to provide service to the New Customer and payment of cost of removal to the other party, such other party shall cease providing interim service and thereafter service shall be furnished to the New Customer by the requesting party.

Notwithstanding the foregoing, each party reserves the right to refuse to serve a New Customer outside its respective territorial area, even though a written request to do so has been made by the other party.

3. <u>TRANSMISSION CUSTOMERS</u> - The parties, by execution of this agreement, acknowledge that TECO presently provides retail electric service to certain phosphate customers and other customers served at transmission voltage (69 KV and above) in the area of Polk and Hillsborough Counties reserved for PRECO. TECO shall have the right to continue to serve these existing customers.

Either party shall have the right to serve any such customer applying for service after the effective date of this agreement. Should both parties desire to serve the same customer, the decision as to which company shall serve will be determined on the basis of relative costs to construct additional facilities necessary to serve the customer in question.

ARTICLE III

OPERATION AND MAINTENANCE

1. <u>RETENTION OF CUSTOMERS</u> - Each of the parties hereto shall continue to serve their respective Extra-Territorial Customers as they presently exist, or until such time as they are transferred to the party in whose territorial area they reside. 2. <u>TRANSFER OF CUSTOMERS</u> - In order to initially establish the territorial boundary line between the territorial areas of PRECO and TECO, the parties agree to transfer certain electrical facilities and customers. A summary of the number and class of customers of each party to be transferred under the terms of this agreement is identified as Exhibit C and attached as a part of this agreement. A summary of the electrical facilities of PRECO with values established by mutual agreement of the two parties is attached, made a part of this agreement, and identified as Exhibit D. Upon the execution of this agreement and its subsequent approval by the Florida Public Service Commission and the Rural Electrification Administration as provided for in Article IV below, TECO agrees to pay PRECO Fifty Thousand, Four Hundred Eighty Dollars (\$50,480.00). These electrical facilities do not include distribution transformers, meters, oil circuit reclosers, and lightning arresters, as these items do not mutually conform to the electrical distribution systems of the parties.

1. ---

In order to insure that all customers who are to be transferred from the service of one party to that of the other will be fully informed prior to any such transfer, a representative of PRECO and a representative of TECO shall together consult with each such customer and explain fully any changes affecting the customer.

3. <u>FACILITIES TO REMAIN</u> - All Generating Plants, Transmission Lines, Substations, Distribution Lines and related facilities now or hereafter constructed and/or used by either party to serve any Extra-Territorial Customer shall be allowed to remain where situated and shall not be subject to removal, as long as such facility serves any useful purpose in maintaining the integrity of the electrical system of the party.

PROVIDED, HOWEVER, that each party shall operate and maintain said lines and facilities in such manner as to minimize any interference with the operations of the other party.

ARTICLE IV

APPROVALS REQUIRED

1. <u>FLORIDA PUBLIC SERVICE COMMISSION</u> - The provisions of this Agreement are subject to the regulatory authority of the Florida Public Service Commission, and the appropriate approval by that body of the provisions of this Agreement shall be a prerequisite to the validity and applicability hereof and neither party shall be bound hereunder until that approval has been obtained.

2. <u>RURAL ELECTRIFICATION ADMINISTRATION</u> - The <u>transfer</u> of electrical facilities by PRECO to TECO as provided in Article III, paragraph 2 above is subject to the approval of the Rural Electrification Administration, United States Department of Agriculture and the National Rural Utilities Cooperative Financing Corporation. The

appropriate approval by the Rural Electrification Administration, United States Department of Agriculture and the National Rural Utilities Cooperative Financing Corporation shall be a prerequisite to the payment by TECO for the facilities and the transfer of such facilities to TECO by PRECO. 1.1

ARTICLE V

DURATION

1. This Agreement shall continue and remain in effect for a period of twenty five (25) years from the effective date hereof, which shall be deemed to be the date of approval by the Florida Public Service Commission as provided for in Article IV above. After the initial twenty five (25) year period, either party may terminate this Agreement by giving the other party a one (1) year notice prior to the desired termination date. This Agreement shall continue from year to year until terminated as provided above.

ARTICLE VI

CONSTRUCTION OF AGREEMENT

1. <u>INTENT AND INTERPRETATION</u> - It is hereby declared to be the purpose and intent of this Agreement, in accordance with which all provisions of this Agreement shall be interpreted and construed, to eliminate and avoid the needless and wasteful expenditures and potentially hazardous situations which may otherwise result from unrestrained competition between the parties operating in contiguous and overlapping distribution service areas.

2. This AGREEMENT shall apply only to the provision of retail electric service by the parties hereto and shall have absolutely no application or effect with respect to either party's sale of "bulk power supply for resale", which is defined to mean all arrangements for supply of electric power in bulk to any person for resale, including but not limited to, the taking of utility responsibility for supply of firm power in bulk to fill the full requirements of any person engaged or to be engaged in the distribution of electric power at retail, and/or interconnection with any persons for the sale or exchange of emergency power, economy energy, deficiency power, and such other forms of bulk power sales or exchanges for resale made for the purpose or with the effect of achieving an overall reduction in the cost of providing electric power supply.

ARTICLE VII

11/24

MISCELLANEOUS

1. <u>NEGOTIATIONS</u> - Whatever terms or conditions may have been discussed during the negotiations leading up to the execution of this Agreement, the only ones agreed upon are those set forth herein, and no alteration or modification of this Agreement shall be binding upon either of the parties hereto unless the same shall be in writing and signed by both parties and approved in the manner set forth in Article IV above.

2. <u>SUCCESSORS AND ASSIGNS</u> - Nothing in this Agreement, expressed or implied, is intended nor shall it be construed to confer upon or give to any person or corporation, other than the parties hereto, any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding only upon the parties hereto and their respective representatives, successors and assigns.

3. <u>WAIVERS</u> - The failure of either party to enforce any provision of this AGREEMENT in any instance shall not be construed as a waiver or relinquishment on its part of any such provision but the same shall nevertheless be and remain in full force and effect.

4. <u>NOTICES</u> - Notices given hereunder shall be deemed to have been given to PRECO if served by United States mail, postage prepaid to: Manager, PEACE RIVER ELECTRIC COOPERATIVE, INC., P.O. Box 1310, Wauchula, Florida 33873; and to TECO if served by United States mail, postage prepaid to: TAMPA ELECTRIC COMPANY, P.O. Box 111, Tampa, Florida 33601. The addresses to which such notices shall be mailed may be, at any time, changed by designating such new address and giving notice thereof in the manner as herein provided.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement in triplicate, by PRECO in its name by its President, and its corporate seal hereto affixed by its Secretary, and by TECO in its name by its Vice President, and its corporate seal hereto affixed and attested by its Secretary, on the day and year written by each execution below; and one of the executed copies has been delivered to each of the parties hereto.

Hubert L. Walker Route 2, Box 29A Bowling Green, FL 33834

Dear Mr. Walker:

The Tampa Electric Company and the Peace River Electric Cooperative have reached a territorial agreement to provide electric service to Southwest Polk County. Each company will provide electric service to Customers in its designed territory. The purpose of this agreement is to eliminate the duplication of electric facilities.

At the present time, you are receiving electric service from the Peace River Electric Cooperative. The Tampa Electric Company wishes to purchase from the Cooperative your electric service since your service location is now in an area designated to be served by the Tampa Electric Company.

The undersigned hereby states that on \mathcal{M}_{10} , 1987, representatives from both companies explained to me the rate schedules, compared electric energy costs, service charges, and company service policies, and I agree or disagree to my service location being purchased by Tampa Electric Company.

I agree.

I disagree.

& Walker
