ORDER GRANTING SPECIFIED CONFIDENTIAL TREATMENT

On June 28, 1991, ALLTEL Florida, Inc. (ALLTEL or the Company) filed its Request for Specified Confidential Classification of certain traffic study data submitted in response to Order No. 24208. ALLTEL is requesting confidential treatment of only the data which contains quantification of traffic along interLATA routes. These are competitive routes and disclosure of the traffic data would aid present and future competitors to the detriment of those carriers presently providing service on these routes. This data was obtained by the local exchange company (LEC) through billing and collection services provided to the interexchange carriers (IXCs). Contracts between the LEC and the IXCs also require the LEC to keep the information confidential, thus lending further support to the premise that this data is proprietary.

For the above reasons, I find the traffic data submitted by ALLTEL for the interLATA routes in this docket to be proprietary confidential business information pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code.

Based on the foregoing, it is

ORDERED by Commissioner Michael McK. Wilson, as Prehearing Officer, that the Request for Specified Confidential Classification filed by ALLTEL Florida, Inc. on June 28, 1991, for Document No. 06543-91 is hereby granted pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code.

By ORDER of Commissioner Michael McK. Wilson, as Prehearing Officer, this 3rd day of July, 1991.

MICHAEL MCK. WILSON, Commissioner
and Prehearing Officer

NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW

The Florida Public Service Commission is required by Section 120.59(4), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: 1) reconsideration within 10 days pursuant to Rule 25-22.038(2), Florida Administrative Code, if issued by a Prehearing Officer; 2) reconsideration within 15 days pursuant to Rule 25-22.060, Florida Administrative Code, if issued by the Commission; or 3) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or sewer utility. A motion for reconsideration shall be filed with the Director, Division of Records and Reporting, in the form prescribed by Rule 25-22.060, Florida Administrative Code. Judicial review of a preliminary, procedural or intermediate ruling or order is available if review of the final action will not provide an adequate remedy. Such review may be requested from the appropriate court, as described above, pursuant to Rule 9.100, Florida Rules of Appellate Procedure.
