~~Re: Docket No. 90571-WU~~ Request for exemption from FPSC regulation for provision of water service in Monroe County by Bounty Fisheries, Ltd.

Dear Mr. Magazine:

As we discussed in our telephone conversation on July 19, 1991, the additional information we requested involving an affidavit from the owner or in the alternative, proof of the agency relationship is needed to allow us to make a recommendation as to Bounty Fisheries, Ltd.'s exempt status as a reseller pursuant to Section 367.022(8), Florida Statutes.

Specifically, we require an affidavit from the owner stating that: (1) service is provided at a rate not exceeding the actual purchase price; (2) the reseller is aware of the requirements of Rule 25-30.111, Florida Administrative Code; (3) the reseller provides water or wastewater service or both; and (4) service will be limited to Overseas Trailer Park. In the alternative, if the owner cannot execute the affidavit, sufficient proof of an agency relationship with the person signing the affidavit and the owner is required. The above information should be provided to us by August 13, 1991.

Also as you requested, I have enclosed the information packet explaining what information is required and how exemption applications should be filed with the Florida Public Service Commission. The packet also includes sample affidavits. Thank you for your cooperation in this matter. If you have any questions or need additional information, please feel free to contact me.

Sincerely,

Lila A. Jaber
