VOTE SHEET

DATE: August 6, 1991

RE: ~~SECRET NO. 910701-00~~ - Investigation into the application of the flexible pricing provision of Industrial Interruptible Service rate schedule of FLORIDA DIVISION OF CHESAPEAKE UTILITIES CORPORATION (formerly Central Florida Gas Company).

Issue 1: Recommendation that Chesapeake Utilities has interpreted the competitive rate adjustment provisions of its tariff incorrectly. Competitive rate adjustment provisions are only intended to recover revenue losses that result when a natural gas utility is forced to reduce its contract interruptible rate to compete with the alternate fuel market.

Issue 2: Recommendation that Chesapeake Utilities Corporation be required to refund, with interest, the surplus revenues collected from its interruptible customers.
