FINAL ORDER

BY THE COMMISSION:

Communications Consulting filed a regulatory assessment fee return on June 15, 1991 with the Division of Administration. The word "cancel" was written on the top of the form. However, on July 5, 1991, a letter was sent to the Division of Records and Reporting from Ms. Lorraine Masi (Ms. Masi), President of Communications Consulting, indicating that she never requested cancellation of Communications Consulting's pay telephone certificate.

Communications Consulting is, at this time, in good standing in terms of filings of previous regulatory assessment fees and annual reports. We also note that the handwriting on the regulatory assessment fee form and Ms. Masi's do not appear to be the same. Therefore, based upon the assertion provided by Communications Consulting, we find that Certificate No. 2133 issued to Communications Consulting should not be canceled, and this docket should be closed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that PATS Certificate No. 2133 issued to Communications Consulting is not canceled. It is further

ORDERED that this docket be closed.
