ORDER GRANTING EXTENSION OF TIME

BY THE COMMISSION:

On August 21, 1991, this Commission issued Order No. 24957 amending Certificate No. 496-W, held by Lake Utility Services, Inc. (LUSI or Utility), to include additional territory in Lake County, Florida. That Order also required LUSI to file evidence that it owns the land upon which its facilities are located, within 30 days of the date of the Order.

On September 23, 1991, LUSI advised the Commission that it was unable to file proof of land ownership within 30 days, as required by Order No. 24957. According to LUSI, the well serving the additional territory is not complete and, as a result, the well and well site have not been transferred to the Utility. It is anticipated that construction will be complete and the transfer of ownership will occur within 90 days. However, since LUSI is not sure that the transfer will be accomplished within 90 days, we find it appropriate to allow LUSI an additional 180 days in which to comply with Order No. 24957.

It is, therefore,

ORDERED by the Florida Public Service Commission that Lake Utility Services, Inc.'s request for an extension of time in which to comply with Order No. 24957 is hereby granted. Lake Utility Services, Inc. shall provide evidence that it owns the land upon which its facilities are located within 180 days of the date of this Order. It is further

ORDERED that Docket No. 900989-WU shall remain open pending compliance with Order No. 24957 and this Order. The Docket shall be closed administratively upon Staff's verification of compliance.
