BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Application for a staff-) assisted rate case in Pasco County) by HUDSON UTILITIES, INC.) DOCKET NO. 900293-SU ORDER NO. 25787 ISSUED: 2/24/92

The following Commissioners participated in the disposition of this matter:

THOMAS M. BEARD, Chairman SUSAN F. CLARK

ORDER APPROVING SETTLEMENT AND REVIVING ORDER NO. 23810, MAKING IT FINAL AND EFFECTIVE

BY THE COMMISSION:

Hudson Utilities, Inc., (Hudson or utility) is a wastewater utility located in Pasco County. On April 17, 1990, Hudson applied for the instant staff-assisted rate case (SARC). On November 27, 1990, this Commission issued proposed agency action (PAA) Order No. 23810, wherein we proposed increased rates and charges for Hudson. On December 18, 1990, the Office of Public Counsel (OPC), the Viva Villas Civic Association, Inc., and Nancy Brennan and Robert B. Pierce (two residents in the Viva Villas area) all timely filed protests to our PAA Order and requested a hearing.

Before the hearing in this SARC, we conducted a hearing on the transfer of the Viva Villas wastewater system certificate from the receiver holding same to Hudson. By Order No. 25576, issued January 7, 1992, we approved the transfer of the Viva Villas wastewater system to Pasco County, rather than to Hudson. The Viva Villas certificate was then cancelled.

Because the Viva Villas area is no longer served by Hudson, the Viva Villas Civic Association and Mr. Pierce and Ms. Brennan no longer have an interest in this matter. Hudson and the remaining protester, OPC, have settled.

A written Settlement entered into between OPC and Hudson was filed on December 13, 1991, with a signed copy following on December 19, 1991. The signed "Settlement" is attached hereto, marked "Attachment A," and is by reference incorporated herein.

In the Settlement, Hudson and OPC agreed that all of the provisions of PAA Order No. 23810 not inconsistent with the terms of the Settlement should be accepted as final by both parties. The Settlement contained the following other provisions.

First, the Settlement stated that the rates to be charged by the utility were to be as follows.

The Settlement also stated that the above rates were to become effective upon this Commission's approval of the Settlement, that "[e]xcept for any pass-through increases, the utility shall seek neither a rate increase nor a rate index from the Commission before November 1, 1993," and that if the Commission did not approve the Settlement in its entirety without modification, the Settlement was to be deemed void.

We believe that the Settlement is reasonable and, therefore, approve and accept same. Accordingly, we hereby revive PAA Order No. 23810, making it final and effective, except to the extent it is inconsistent with the Settlement of the parties.

The utility has already filed tariff sheets consistent with the rates contained in the Settlement and a proposed customer notice showing the rate change. Pursuant to the terms of the Settlement, the rates shall become effective upon approval of the tariff sheets.

Because the tariff sheets and customer notice have already been filed and no other outstanding matters require resolution, this docket may be closed.

It is, therefore,

ORDERED by the Florida Public Service Commission that the Settlement entered into between Hudson Utilities, Inc., and the Office of Public Counsel is hereby approved and accepted. It is further

ORDERED that PAA Order No. 23810, issued November 27, 1990, is hereby revived and made final and effective, except to the extent inconsistent with the aforementioned Settlement. It is further

ORDERED that pursuant to the terms of the aforementioned Settlement, the rates contained therein, which appear in the body of this Order, shall become effective upon approval of the revised tariff sheets. It is further

ORDERED that this docket should be closed.
