ORDER APPROVING TARIFF

BY THE COMMISSION:

On July 29, 1992, St. Joseph Telephone and Telegraph Company (St. Joe or the Company) filed tariff revisions proposing to delete the additional service connection charge that applies to St George Island and East Point customers. Those charges went into effect on September 17, 1986, to offset the Company's toll charges to cross the St. George Island bridge. The amount of the charge is \$4.00 per new installation, and \$2.00 per move or change order, for both residential and business customers. The Company requests that the charges be deleted since there is no longer a toll to cross the bridge.

We believe that the Company's request is appropriate. Accordingly, we hereby approve the tariff as filed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the proposed tariff filing by St. Joseph Telephone and Telegraph Company deleting additional service connection charges for St. George Island and Eastpoint customers is hereby approved, effective September 27, 1992. It is further

ORDERED that if a protest is filed in accordance with the requirement set forth below, the tariff shall remain in effect with

This petition must be received by the Director, Division of Records and Reporting at his office at 101 East Gaines Street, Tallahassee, Florida 32399-0870, by the close of business on October 22, 1992.
