## ORDER AMENDING CERTIFICATE TO INCLUDE ADDITIONAL TERRITORY AND CLOSING DOCKET

BY THE COMMISSION:

On May 21, 1992, Jacksonville Suburban Utilities, Inc. (JSUC or Utility) filed an application with this Commission to amend Certificate No. 179-S to include additional territory in Duval County, Florida. The application is in compliance with Section 367.045, Florida Statutes, and other pertinent statutes and provisions of the Florida Administrative Code. In particular, the application contains a filing fee in the amount of \$150.00, as prescribed by Rule 25-30.020, Florida Administrative Code. JSUC also provided evidence, in the form of a warranty deed, that it owns the land upon which its facilities are located, as required by Rule 25-30.036, Florida Administrative Code.

Adequate service territory and system maps and a territory description have been provided, as prescribed by Rule 25-30.036, Florida Administrative Code. The additional territory in Duval County, which JSUC is requesting to serve, is described in Attachment A of this Order.

In addition, JSUC has provided proof of compliance with the noticing provisions of Rule 25-30.030, Florida Administrative Code. No objections to the notice of application have been received and the time for filing such has expired.

Since JSUC has been in operation under our jurisdiction since 1974, and has been providing satisfactory service to its customers, we believe that the Utility has demonstrated its ability to provide service to the additional territory. Upon completion of the extension by the developer, the facilities will be conveyed to JSUC.

From the information filed with the application, it appears that JSUC has the financial ability to serve the requested area. Also, although the City of Jacksonville could possibly serve the area, it appears that it would be more economical for JSUC to serve

the territory since it is the closest utility. In addition, according to the Department of Environmental Regulation (DER), there are no outstanding notices of violation against JSUC.

Therefore, we find that it is in the public interest to amend Certificate No. 179-S to include the territory described in Attachment A of this Order, which by reference is incorporated herein. JSUC has returned Certificate No. 179-S to the Commission for entry reflecting the additional territory. JSUC has also filed revised tariff sheets reflecting the amendment.

JSUC's current rates and charges became effective on July 3, 1992, pursuant to a 1992 price index and pass-through increase. The Utility's service availability charges became effective on April 8, 1981. JSUC shall charge the customers in the territory added herein the rates and charges approved in its tariff until authorized to change by the Commission in a subsequent proceeding.

It is, therefore,

ORDERED by the Florida Public Service Commission that Certificate No. 179-S, held by Jacksonville Suburban Utilities Corporation, 644 Cesery Boulevard, Suite 108, Post Office 8004, Jacksonville, Florida 32211, is hereby amended to include the territory described in Attachment A of this Order. It is further

ORDERED that Jacksonville Suburban Utilities Corporation shall charge the customers in the territory added herein the rates and charges approved in its tariff. It is further

ORDERED that Docket No. 920505-SU is hereby closed.

By ORDER of the Florida Public Service Commission this <u>4th</u> day of <u>November</u>, <u>1992</u>.
