Re: Docket No. 930440 WU - Application of Countywide Utility Company for
a staff-assisted rate case in Marion County.

Dear Mr. Leeward:

We have determined eligibility for staff assistance filed by Countywide Utility
Company. We find that the utility is eligible for the staff-assisted rate case
filing.

Since your request for staff assistance has been accepted, the utility should pay
the \$150 filing fee as provided by Chapter 367.145 of the Florida Statutes. We
will expect to receive payment of the filing fee by June 28, 1993, which is the
official filing date for this rate case. Delay in payment of the filing fee may
result in delays in the processing of your case.

Since this utility currently is undergoing an overearnings investigation (Docket
No. 930084-WU), the audit and engineering reports from that investigation will
suffice for this proceeding.

If you have any questions regarding the rate proceeding, please call Cissy
Galloway or Paulette Dewberry at this office.

Sincerely,

Charles H. Hill, Director
Division of Water and Wastewater
