ORDER GRANTING CONFIDENTIAL TREATMENT TO
SPECIFIC MATERIAL CONTAINED IN DOCUMENT NO. 6103-93

On January 6, 1993, by Order No. PSC-93-0029-PCO-TL we required that BellSouth Telecommunications, Inc. d/b/a Southern Bell Telephone and Telegraph Company (Southern Bell or the Company) prepare traffic studies on the routes under consideration for Extended Area Service in this Docket. By Order No. PSC-93-0764-PCO-TL, issued on May 20, 1993, we granted the Company an extension of time for filing the studies until June 7, 1993. On that day the Company filed a Request for Confidential Treatment of certain information contained in the required studies. The studies in question have been assigned Document No. 6103-93 by the Commission. In support of its Request the Company asserts:

1. that the traffic data relates to toll usage over the various routes at issue;
2. that the information is proprietary information maintained by Southern Bell on a confidential basis to plan its network deployment based on traffic demand over the respective toll routes;
3. that disclosure of the information would harm the Company by allowing its competitors in the intraLATA toll market to target the most lucrative routes.

Upon review, I find that the material is proprietary business information pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006, Florida Administrative Code. As such, it shall be kept confidential and shall be exempt from Section 119.07(1), Florida Statutes.

I note that Southern Bell has filed a Motion for a Modification of Order No. PSC-93-0029-PCO-TL. That Motion will be addressed in a separate Order.

Therefore, it is
