RE: PHASE II EXPANDED INTERCONNECTION, DOCKET NO. [REDACTED]

Staff would like all parties to submit proposed issues for the switched access portion of this docket by November 5, 1993. These will be summarized and distributed to the parties prior to the Issue workshop which is scheduled for December 9, 1993. Staff suggests the following:

Issues should be constructed so that they can be answered with either a "yes" or "no" followed by an explanation.

Issues should address matters which require a commission vote as opposed to matters which are simply presented to inform.

Issues should be provided on diskette in WordPerfect format if possible.

If you have any questions or concerns please contact Charles Murphy at (904) 487-2740.
