ORDER SUSPENDING PROPOSED TARIFF

Tampa Electric Company (TECO) has petitioned for approval of a new Standard Offer Contract to replace the present Standard Offer Contract which is based on a 1999 combustion turbine with a 2001 combustion turbine. Standard Offer Contracts are filed as proposed tariffs. We find that the tariff should be suspended, pending completion of further technical analysis relating to the change in the requirements for the supply-side generation.

This docket shall remain open until the proposed tariff is approved or denied.

Based on the foregoing, it is

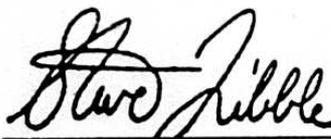

ORDERED by the Florida Public Service Commission that the tariff shall be suspended, pending completion of further technical analysis relating to the change in the requirements for the supply-side generation. It is further

ORDERED that this docket shall remain open until the proposed tariff is approved or denied.
