HAND DELIVERY

Re: Docket No. 920260-TL, Prehearing Conference

Dear Commissioner Clark:

This is to request that I be excused from attending the prehearing conference this Friday, August 19, 1994 in the above-referenced docket. I and all of the attorneys and the Class B Practitioner in our firm will be out of town, and we have no other substitute available. However, as you can see from the prehearing statement I have filed on behalf of our client, McCaw Cellular Communications, McCaw's interest in this current phase of the docket is limited and I do not have any matters requiring action at the prehearing conference.

Thank you for your consideration.

Sincerely,

Floyd R. Self
