ORDER INDICATING NONJURISDICTIONAL STATUS  
OF SHEDS-N-THINGS AND CLOSING DOCKET

BY THE COMMISSION:

On October 3, 1994, Sheds-N-Things filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(6), Florida Statutes. Sheds-N-Things is a retail store located at 705 South Scarboro, Lecanto, Florida. Dr. Myron F. Klinkman, President and primary contact person, filed the application on behalf of Sheds-N-Things.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(6), Florida Statutes, and Rules 25-30.055 and 25-30.060, Florida Administrative Code. Section 367.022(6), Florida Statutes, states that "[s]ystems with the capacity or proposed capacity to serve 100 or fewer persons" are exempt from Commission regulation.

Upon review of the application, it was determined that technically Sheds-N-Things qualifies for exemption pursuant to Section 367.022(6), Florida Statutes. However, Sheds-N-Things more properly qualifies for exemption pursuant to Section 367.021(12), Florida Statutes, which states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

On October 21, 1994, Sheds-N-Things refiled an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code. According to the application, water service is provided only to its store located at 705 South Scarboro, Lecanto, Florida, there is no charge for providing the service, and all costs of providing

service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Dr. Klinkman acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that Sheds-N-Things is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, Sheds-N-Things is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of Sheds-N-Things or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

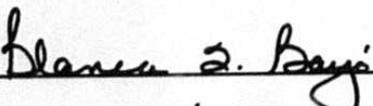

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, Sheds-N-Things, Post Office Box 1500, Homosassa, Florida 34447, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of Sheds-N-Things or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate its nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 22nd day of December, 1994.
