ORDER INDICATING NONJURISDICTIONAL STATUS
OF D & J VALUE CENTER AND CLOSING DOCKET

BY THE COMMISSION:

On October 10, 1994, D & J Value Center (D & J) filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(6), Florida Statutes. D & J is a hardware store located at 2418 Highway 44, Inverness, Florida. Mr. James D. Poe, Owner, President and primary contact person, filed the application on behalf of D & J.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(6), Florida Statutes, which states that "[s]ystems with the capacity or proposed capacity to serve 100 or fewer persons" are exempt from Commission regulation.

Upon review of the application, it was determined that technically D & J qualifies for exemption pursuant to Section 367.022(6), Florida Statutes. However, D & J more properly qualifies for exemption from Commission regulation pursuant to Section 367.021(12), Florida Statutes, which states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

On October 21, 1994, D & J refiled its application requesting recognition of its exempt status, pursuant to Section 367.021(12), Florida Statutes. According to the application, water service is provided only to hardware store, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Poe acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that D & J is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, D & J is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of D & J or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

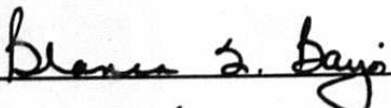

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, D & J Value Center, 2418 Highway 44, Inverness, Florida 34443, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of D & J Value Center or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate its nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 22nd day of December, 1994.
