ORDER GRANTING MOTION FOR EXTENSION OF TIME

On February 17, 1995, the City of Tallahassee (Tallahassee) and the Department of Community Affairs (DCA) filed a Joint Motion for Extension of Time to File Rebuttal Testimony and Prehearing Statements in the above-referenced docket to March 21, 1995.

On February 17, 1995, Tallahassee and DCA also filed a Joint Motion to Approve Joint Stipulation establishing cumulative conservation goals for Tallahassee in this docket. The parties suggest that approval of the Joint Stipulation by the Commission would eliminate the need for the hearing presently scheduled for April 10-14, 19-21 and 24-26, 1995. The Joint Stipulation will be considered by the Commission at a regularly scheduled Agenda Conference. In order to avoid the potentially unnecessary expenditure of time and resources on the preparation of rebuttal testimony, exhibits and prehearing statements, Tallahassee and the DCA request an extension for the filing of these documents until March 21, 1995.

Given that approval of the Joint Stipulation would avoid the necessity for the hearing presently scheduled for April 10-14, 19-21 and 24-26, 1995, and the associated costs, it is appropriate to extend these filing dates. Therefore, the dates for filing rebuttal testimony and exhibits and prehearing statements are extended to March 21, 1995.

Based on the foregoing, it is, therefore

ORDERED by Commissioner Diane K. Kiesling, as Prehearing Officer, that the Joint Motion for Extension of Time to File Rebuttal Testimony and Prehearing Statements is granted.
