ORDER APPROVING TARIFF

BY THE COMMISSION:

On May 15, 1995, GTE Florida Incorporated (GTEFL) proposed revisions to its General Services Tariff to offer Direct Inward Dialing (DID) Conference Connections Lease, an enhancement to its existing Conference Connections Service. DID Conference Connections Lease is intended to meet the needs of a limited group of customers with special conferencing needs.

DID Conference Connections Lease is targeted to customers having a need for full time conference service requiring rapid and specific configuration changes which GTEFL cannot accommodate in a timely manner. DID Conference Connections Lease allows customers to lease ports to provide conference calling service for themselves. Under this lease arrangement, GTEFL provides no operator assistance or services. A leased conference product provides complete control and configuration of conference calls at the lessee's discretion. The ports required for DID Conference Connections Lease service will be placed in reserve for the duration of the agreement. The minimum lease period is one month, and the maximum lease period is twelve months, with a minimum configuration of three ports. Services under this lease will be billed monthly based on the number of ports and minutes of use. The monthly bill is calculated by taking the average number of minutes of use per port, and then applying the appropriate charges based on the tariffed usage bands.

GTEFL projects a single customer leasing 64 ports for the first year. This projection yields first year revenues of \$276,480. First year incremental costs total \$1,541. The resulting percentage contribution from this example is 17,840%.

Having reviewed the tariff and accompanying cost information, we approve this tariff filing, effective July 14, 1995.

It is, therefore

ORDERED by the Florida Public Service Commission that the tariff revision by GTE Florida Incorporated to offer Direct Inward Dialing Conference Connections Lease is approved. It is further

ORDERED that this tariff filing shall be effective July 14, 1995. It is further

ORDERED that if a timely protest is filed in accordance with the requirements set forth below, this tariff shall remain in effect with any increase in revenues held subject to refund pending resolution of the protest. If no timely protest is filed, this docket shall be closed.

By ORDER of the Florida Public Service Commission, this 17th day of July, 1995.
