Re: Docket No. 950495-WS -- Application by Southern States Utilities, Inc. for rate increase and increase in service availability charges for Orange-Osceola Utilities, Inc. in Osceola County, and in Bradford, Brevard, Charlotte, Citrus, Clay, Collier, Duval, Highlands, Lake, Lee, Marion, Martin, Nassau, Orange, Osceola, Pasco, Putnam, Seminole, St. Johns, St. Lucie, Volusia, and Washington Counties.

Dear Ms. Bayo:

Enclosed please find sixteen copies of the proof of publications for Southern States' service availability filing. Please note that the enclosed publication affidavits prove that newspaper notice was given in all counties in which Southern States operates except for Polk, Hillsborough and Hernando Counties. As of this writing, Southern States' operations in those three counties are not affected by its service availability filing. However, publication notice in those counties will be undertaken if the Commission directs Southern States to do so or the Commission decides that Southern States' operations in those counties should be included in the instant filing.

Please acknowledge filing of these documents by date stamping the enclosed copy of this letter and returning it in the postage paid, self-addressed envelope provided.

If you have any questions, please contact me at (407) 880-0058, ext. 260.

Sincerely yours,
