ORDER INDICATING NONJURISDICTIONAL STATUS
OF McDONALD'S RESTAURANT AND CLOSING DOCKET

BY THE COMMISSION:

On June 15, 1995, McDonald's Restaurant (McDonald's) filed an application with this Commission for recognition of its nonjurisdictional status, pursuant to Section 367.021(12), Florida Statutes. McDonald's is a fast food restaurant located at 116 East State Road 200, Yulee, Florida. Mr. David M. Taylor, P.E., Bessent, Hammack & Ruckman, Inc. and primary contact person, filed the application on behalf of McDonald's.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.021(12), Florida Statutes, and Rules 25-30.060(2) and (3)(j), Florida Administrative Code.

Section 367.021(12), Florida Statutes, states that a "utility means a water or wastewater utility and except as provided in Section 367.022, includes every person, lessee, trustee, or receiver owning, operating, managing or controlling a system, or proposing construction of a system, who is providing or proposes to provide water or wastewater service to the public for compensation."

According to McDonald's application, water service is provided only to the restaurant located at 116 East State Road 200, Yulee, Florida, there is no charge for providing the service, and all costs of providing service are treated or recovered as operational expenses. Wastewater service is provided by United Water.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Mr. Taylor

acknowledged that he is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.

Based on the facts as represented, we find that McDonald's is not a utility pursuant to the provisions of Section 367.021(12), Florida Statutes. Accordingly, McDonald's is not subject to this Commission's jurisdiction. However, should there be any change in circumstances or method of operation, the owner of McDonald's or any successors in interest, must inform the Commission within 30 days of such change so that its nonjurisdictional status may be reevaluated.

It is, therefore,

ORDERED by the Florida Public Service Commission that, based upon the facts as represented, McDonald's Restaurant, 116 East State Road 200, Yulee, Florida 32097, is not a water utility subject to this Commission's jurisdiction, pursuant to the provisions of Section 367.021(12), Florida Statutes. It is further

ORDERED that should there be any change in circumstances or method of operation, the owner of McDonald's Restaurant or any successors in interest, shall inform this Commission within 30 days of such a change so that we may reevaluate its nonjurisdictional status. It is further

ORDERED that this Docket is hereby closed.

By ORDER of the Florida Public Service Commission, this 15th day of August, 1995.
