ORDER INDICATING EXEMPT STATUS OF
MIRIAM CROOK AND CLOSING DOCKET

BY THE COMMISSION:

On August 1, 1995, Miriam Crook filed an application with this Commission for recognition of its exempt status pursuant to Section 367.022(5), Florida Statutes. The well, which Ms. Crook owns, is located at 4707 Paloverde Drive, New Port Richey, Florida. The system serves four mobile homes which she also owns. Miriam Crook, Owner and primary contact person, filed the application for exemption.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water and wastewater facilities, if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(5), Florida Statutes, and Rule 25-30.060(3)(e), Florida Administrative Code.

Section 367.022(5), Florida Statutes, states that an entity qualifies for exemption from Commission regulation if it provides service solely to its tenants, and there are no specific charges for the utility service. The application indicates that Miriam Crook provides water service only to her tenants and the service territory is limited to the mobile homes at 4707 Paloverde Drive, New Port Richey, Florida. Also, the water service is included as a nonspecific portion of the monthly rent. Wastewater service is provided by septic tank.

In addition, pursuant to Section 837.06, Florida Statutes, and Rule 25-30.060(2)(f), Florida Administrative Code, anyone knowingly making a false statement in writing with the intent to mislead is guilty of a misdemeanor. By signing the application, Ms. Crook acknowledged that she is aware of Section 837.06, Florida Statutes, and the penalties for making false statements in the application.
