CONTINENTAL'S STATUS REPORT

Continental Cablevision, Inc., on behalf of its affiliates, Continental Fiber Technologies, Inc. d/b/a AlterNet, and Continental Florida Telecommunications, Inc. (collectively "Continental"), submits the following status report pursuant to Orders Nos. PSC-95-1358-PCO-TP issued November 2, 1995 and PSC-95-1421-PCO-TP issued November 22, 1995:

I. BELLSOUTH

1. On December 8, 1995, Continental entered into a stipulation with BellSouth Telecommunications, Inc. ("BellSouth"), the Florida Cable Telecommunications Association, Inc., and Time Warner AxS, L.P./Digital Media Partners.

DOCUMENT NUMBER-DATE

12671 DEC 15 95

FPSC-RECORDS/REPORTING

2. The stipulating parties filed with the Commission on that date a Joint Motion for Acceptance of Stipulation and Agreement and for Partial Stay of Proceedings. The joint motion was filed in this docket and in Dockets Nos. 950696-TP, 950737-TP, 950984-TP, and 950985D-TP, because the stipulation was intended to resolve the issues affecting the stipulating parties in all five proceedings.

3. The joint motion has not yet been considered by the Commission. However, the Commission took action on December 14, 1995 in Dockets Nos. 950696-TP and 950737-TP which was at variance with the positions agreed to by the stipulating parties. The Commission's action can be interpreting as indicating an intent to deny the joint motion.

4. At page 16, the Stipulation and Agreement provides:

The undersigned parties further agree that, in the event the Commission does not adopt this Stipulation and Agreement in its entirety, the Stipulation and Agreement shall not be binding upon the parties.

In light of the Commission's action of December 14th, the stipulation, pursuant to the provision set out above, would appear to no longer be in force subject to the Commission's reconsideration of this action.

5. Unless the Commission reconsiders its December 14th action, ruling in a manner that will allow the stipulation

to go forward, then Continental believes this proceeding must continue in accordance with the schedule of events that has been adopted by the Pre-Hearing Officer.

6. If this docket continues on this schedule, Continental intends to negotiate further with BellSouth. Should such negotiations succeed in resolving the issues affecting both parties in this docket, Continental shall file any further agreement and request the Commission to take the appropriate action herein.

II. UNITED & CENTEL

7. No agreement has been reached between Continental, Sprint/United-Florida ("United") and Sprint/Centel-Florida ("Centel"); however, Continental intends to continue its negotiations with these companies. Should negotiations succeed, Continental shall file any resulting agreement with the Commission and seek the appropriate action in this docket.

8. Unless settlement is achieved, Continental urges the Commission to continue this proceeding with regard to United and Centel in accordance with the schedule of events that has been adopted by the Pre-Hearing Officer.

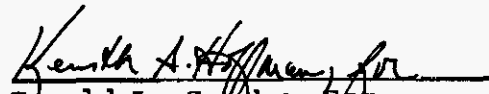

III. GTE

9. Continental has concluded that its current plans for providing service in the territory of GTE Florida Incorporated ("GTE") are not near enough in time to justify the continuation of this proceeding with regard to GTE. Accordingly, it is Continental's intent to seek the dismissal without prejudice to re-filing of the issues in its petition in this docket relating to GTE.

WHEREFORE, Continental respectfully submits the foregoing status report in this proceeding.

Respectfully submitted,

CONTINENTAL CABLEVISION, INC.
Southeastern Region
