I believe this system to be exempt from the regulation of the Florida Public Service Commission pursuant to Section 367.022(1), Florida Statutes, for the following reasons:

1. The facilities will be used solely to provide bottled water.
2. Water is not provided to customers from the facilities through a water main or service pipe.

SECTION 3

**SECTION 367.022, FLORIDA STATUTES
EXEMPTIONS**

The following are not subject to regulation by the commission as a utility nor are they subject to the provisions of this chapter, except as expressly provided:

- (1) The sale, distribution, or furnishing of bottled water;
- (2) Systems owned, operated, managed, or controlled by governmental authorities;
- (3) Manufacturers providing service solely in connection with their operations;
- (4) Public lodging establishments providing service solely in connection with service to their guests;
- (5) Landlords providing service to their tenants without specific compensation for the service;
- (6) Systems with the capacity or proposed capacity to serve 100 or fewer persons;
- (7) Nonprofit corporations, associations, or cooperatives providing service solely to members who own and control such nonprofit corporations, associations, or cooperatives; and
- (8) Any person who resells water or wastewater service at a rate or charge which does not exceed the actual purchase price thereof, if such person files at least annually with the commission a list of charges and rates for all water service sold, the source and actual purchase price thereof, and any other information required by the commission to justify the exemption; but such person is subject to the provisions of s. 367.122.
- (9) Wastewater treatment plants operated exclusively for disposing of industrial wastewater.
