ORDER INDICATING EXEMPT STATUS OF MIDPORT PLACE II
CONDOMINIUM ASSOCIATION, INC. AND CLOSING DOCKET

BY THE COMMISSION:

On September 1, 1995, Midport Place II Condominium Association, Inc. (Midport) filed an application with this Commission for recognition of its exempt status, pursuant to Section 367.022(8), Florida Statutes. Midport is a 224-unit condominium complex located at 1555 Southeast Royal Green Circle, Port St. Lucie, Florida. Mr. Donald Nembhard, Property Manager and primary contact person, filed the application on behalf of Midport.

Upon request and sufficient proof, the Commission will issue an order indicating the nonjurisdictional or exempt status of water or wastewater systems if they qualify under the appropriate provision of Chapter 367, Florida Statutes. The application was filed in accordance with Section 367.022(8), Florida Statutes, and Rule 25-30.060(1), (2) and (3)(h), Florida Administrative Code. Section 367.022(8), Florida Statutes, states, in part, that "[a]ny person who resells water or wastewater service at a rate or charge which does not exceed the actual purchase price thereof," and who complies with certain reporting requirements, is exempt from Commission regulation.

According to Midport's application, the service area is limited to the apartment complex located at 1555 Southeast Royal Green Circle, Port St. Lucie, Florida. Midport intends to purchase water and wastewater from the City of Port St. Lucie and resell it to its residents at a rate that does not exceed the actual purchase price. Meters have been installed on each condominium so that the residents will be charged for the actual amount of water used. Midport has been retained C/P Utility Service Company to read the meters on a monthly basis and bill the residents accordingly on behalf of Midport. Midport will be responsible for service to common areas. No administrative or processing fees or miscellaneous charges will be charged to the residents.
