RE: DOCKET NO. 921267-TL - Resolution by Alachua County Board of County Commissioners for extended area service (EAS) throughout Alachua County.
DOCKET NO. ~~930979-TL~~ - Resolution by Marion County Commission for countywide extended area service (EAS) within Marion County.
DOCKET NO. 930979-TL - Petition by subscribers of Live Oak for extended area service (EAS) to Lake City.

Issue 1: Recommendation that ALLTEL's motion for an extension of time until May 12, 1996, and its motion for an additional extension of time to implement business calls at \$.25 per call instead of ECS rates until October 1, 1996 on the routes identified in staff's February 22, 1996 memorandum should be granted. ALLTEL should provide notice to its affected business customers explaining the interim \$.25 plan, and provide a follow-up notice to these customers prior to the conversion to ECS.

Since BellSouth and United provide the other ends of these routes, extension of time should also be granted for these local exchange companies (LECs) until May 12, 1996 to implement ECS.

ISSUE 2: Recommendation that, if no person whose substantial interests are affected files a protest within 21 days of the issuance date of the order from this recommendation, these dockets should be closed. A protest of the decision in one docket should not prevent the decision in the other dockets from becoming final.
